Sir:

I, Younger Ahluwalia, hereby declare that:

I am the Product Development Manager, Coated Products of Elk Corporation of Dallas ("ELK") the assignee of the above-referenced patent application.

I have read the application filed on November 14, 2000. The application discloses and claims products that include a coated structural article. One of the components of the article is my invention, the filler/binder coated substrate which is described in detail on pages 6 et seq. of the present application, which is the subject of United States Patent No.

5,965,257, which issued in my name on October 12, 1999 and which is also owned by Elk. Accordingly, I am a co-inventor of the above-captioned application.

The omission of my name from the list of inventors for this application when filed was due to error which occurred without deceptive intention.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
